Dear La Perouse Precinct,

La Perouse Precinct Meeting 1 February 2016

Thank you for the minutes of this meeting of the La Perouse Precinct. The Council notes the contents of these minutes and I am able to provide you with the following information in response to the matters raised in the meeting.

Resolution 16.07: That the Council Traffic Committee investigate the issue of traffic and speeding cars on Elaroo Ave (near the old church) and Adina Ave in consultation with the affected residents.

At the February meeting of the Traffic Committee, it was recommended that:

1. Endeavour Avenue residents be surveyed to ascertain their views on the effect of the speed humps which were installed in their street, late in 2013; and
2. Following the above survey, the residents of Yarra Road be surveyed to ascertain their views on the possible introduction of speed humps to their road; noting the feedback which will have been received from the Endeavour Avenue survey.

Based on the results of the abovementioned surveys, Council will be in a better position to consider options for dealing with speeding cars on Elaroo and Adina Avenues. In the meantime, Council will undertake traffic counts on Elaroo and Adina Avenues in order to get a full understanding of the traffic and speeding issues in the area.

Yours faithfully,

Amanda Mather
