6. Precinct Suggestions for 2017-18 Operational Plan & Budget	<ul style="list-style-type: none"> a) Resident request for water bowl to be located near Bus Shed at the rear near the tap. b) Playground Equipment – Frenchmans Beach- currently only 4 children can use it at once c) Prune shrubbery at Cann Park d) Remove shrubbery just before at first pedestrian crossing heading north on the western side Anzac Parade located near the first roundabout at Prince Henry. Issues raised were in regard to safety of small children, people in wheelchairs that are hidden from drivers view because of the shrubbery obscuring the view on opposite side of road. It should be noted the opposite side of the road seems to be lower. e) Gubbetah Road roundabout needs to be angled for safety reason as currently cars come straight out without deviating to slow down to traverse the roundabout. Roundabout has not been designed as a traffic calming device which is not meeting design principles. f) Footpath on both sides of Gross St (Southern Side)
