14 December 2017

Dear Dr Jayasooriah,

Thank you for the minutes of the La Perouse Annual General Meeting held 4 December 2017.

Given you have held the position of Chair and Secretary for the La Perouse Precinct for the past six years (2012-2017), your election as Chair by the Precinct for 2018 has not been approved as per the Precinct Rules and Procedures:

"A person may not hold an executive position (i.e. chair and/or secretary) on the Precinct for more than two consecutive years. Any extension beyond this time must be through a formal request in writing to the General Manager..."

This matter and Council's determination was discussed with you at the Precinct Coordination Committee meeting. Council thanks you for your service to the La Perouse community through the precinct.

We ask that the Precinct Secretary convene another meeting to elect a new Chair for 2018.

Kind Regards,

Ray Brownlee PSM
General Manager
